Potential minor planning

With elective credits from SMCC, students may strategically complete coursework that will support their minor at UMF. Elementary Education majors do not have to choose a minor, but may do so to strengthen or expand their knowledge in a particular field of study, or add an endorsement to their initial licensure in K-6. For example:

If students want to add the middle level minor they could take disciplinary coursework (MAT, ENG, Social sciences, or Natural Sciences) that transfers to UMF with the appropriate prefixes. Other potential minors can be found in the [UMF catalog](#). Please note that a minimum of 1/3 of the required credits must be earned at UMF for a minor to be awarded.
