

TRANSFER AGREEMENT FOR BACCALAUREATE DEGREE

**Southern Maine Community College
& University of Maine Farmington**

Statement of Purpose

The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from Southern Maine Community College (SMCC) to the University of Maine Farmington (UMF). It is recognized that this agreement shall describe the required program of study at SMCC for admission eligibility to UMF and the degree program indicated.

Terms & Conditions of Academic Credit Transfer

To: Bachelor of Arts (B.A.) in Biology – Pre-Professional concentration

From: Associate in Arts (A.A.) in Liberal Studies with a Focus in Science

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Southern Maine Community College shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMF students. All applicants accepted to University of Maine Farmington's Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B & C.

Appendix A Contains Admission & Graduation Requirements of the Receiving Institution

Appendix B Contains Side By Side Course Equivalency Tables for the academic program listed above

Appendix C Contains a four-semester map of remaining courses to be taken at UMF

Articulation Agreement between Southern Maine Community College & University of Maine at Farmington

APPENDIX A

Admission & Graduation Requirements of the Receiving Institution

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

Admissions Requirements

Successful completion of the Associate in Arts in Liberal Studies – Science Focus, submission of completed admission application, transcripts and other supporting materials. For coursework to transfer to UMF, a student must earn a grade of C- or better.

For a list of application instructions and checklist: <https://www.umf.maine.edu/admissions-aid/>

Requirements for the Bachelor of Arts Biology – Pre-Preprofessional concentration

(See Appendix C)

Remaining required course work is listed in Appendix C; a complete list of required courses can be found here <https://www.umf.maine.edu/academics/academic-catalogs/>. Student must maintain a cumulative GPA of 2.0 to graduate, and earn a C- grade or better in all courses required for the major.

Residency Requirement

All students in baccalaureate degree programs must earn the following from the University of Maine at Farmington:

- 1) a minimum of 12 of the credits required by their major program(s) at the 200 level or above*
- 2) a minimum of 30 of the total required credits

*An academic program may require that more than 12 credits of advanced coursework and/or specific coursework, such as a capstone course, be completed at UMF.

Total SMCC Credits		61-62	Total credits accepted		61-62

UMF recommends that students take Statistics as their mathematics course for this transfer agreement, so that the student will have taken both Biology II and Statistics.

SMCC suggests that a student take Statistics before transferring. If the student can demonstrate that they have previously studied Algebra and Trigonometry, they may petition the Biological Sciences Chair to substitute Statistics for the Algebra/Trig requirement.

APPENDIX C

Remaining UMF Requirements

Year Three Fall at UMF		Year Three Spring at UMF	
Course	Credit	Course	Credit
Pre-Professional Required Course*	4	Pre-Professional Required Course*	4

Semester Credits	14	Semester Credits	14
Total UMF credits: 59			
Total SMCC credits: 61-62			
Total SMCC and UMF credits: 120-121			

Note: A student must earn a minimum of 120 credits in order to be awarded the UMF degree.

*Remaining required Pre-Professional courses at UMF include BIO 252: Genetics, CHY 241: Organic Chemistry I, and CHY 242: Organic Chemistry II. These courses are offered on a rotating basis in alternating years. Students should work with the division chair (upon matriculation to UMF) and their advisor (after matriculation to UMF) to determine which courses are offered each year. They should register for any of these courses that are offered the first semester of matriculation to ensure timely completion of their degree requirements.

ARTICULATION IMPLEMENTATION AND AGREEMENT REVIEW

The Chief Academic Officer designee of the collaborating institutions shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements, and for conducting a periodic review of this agreement.

Signatures to this Agreement

This agreement becomes effective June 1, 2026 and will be reviewed Spring 2029 for renewal discussion.
