

TRANSFER AGREEMENT FOR BACCALAUREATE DEGREE

Kennebec Valley Community College & University of Maine Farmington

Statement of Purpose

The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from Kennebec Valley Community College (KVCC) to the University of Maine Farmington (UMF). It is recognized that this agreement shall describe the required program of study at KVCC for admission eligibility to University of Maine Farmington and the degree program indicated.

Terms & Conditions of Academic Credit Transfer

To: Bachelor of Arts in Biology (B.A.) – Pre-professional concentration
From: Associate in Science (A.S.) in Biological Sciences

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Kennebec Valley Community College shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMF students. All applicants accepted to University of Maine Farmington’s Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B & C.

Articulation Implementation and Agreement Review

The Chief Academic Officer designee of the collaborating institutions shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements, and for conducting a periodic review of this agreement.

Signatures to this Agreement

This agreement becomes effective June 1, 2026 and will be reviewed Spring 2029 for renewal discussion.

APPENDIX A

Admission & Graduation Requirements of the Receiving Institution

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

Admissions Requirements

Successful completion of the KVCC Associate in Science in Biological Sciences, submission of a completed admission application, application fee (currently waived), official transcripts from all colleges attended, and other supporting materials. For coursework to transfer to UMF, a student must earn a grade of C- or better. For a list of application instructions and checklist: <https://www.umf.maine.edu/admissions-aid/>

Requirements for the Bachelor of Arts in Biology (B.A.) – Pre-professional concentration

Students must maintain a cumulative GPA of 2.0 to graduate, and earn a C- grade or better in all courses required for the major.

[\(See Appendix C\)](#)

The information contained in Appendices A, B & C is accurate for:

KVCC catalog year 2025-2026: [KVCC Catalog](#)

UMF catalog year 2026-2027: [UMF Catalog](#)

Residency Requirement

All students in baccalaureate degree programs must earn the following from the University of Maine at Farmington:

- 1) a minimum of 12 of the credits required by their major program(s) at the 200 level or above*
- 2) a minimum of 30 of the total required credits

*An academic program may require that more than 12 credits of advanced coursework and/or specific coursework, such as a capstone course, be completed at UMF.
