

# TRANSFER AGREEMENT FOR BACCALAUREATE DEGREE

## Kennebec Valley Community College & University of Maine Farmington

### Statement of Purpose

The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from Kennebec Valley Community College (KVCC) to the University of Maine Farmington (UMF). It is recognized that this agreement shall describe the required program of study at KVCC for admission eligibility to University of Maine Farmington and the degree program indicated.

### Terms & Conditions of Academic Credit Transfer

**To: Bachelor of Science (B.S.) in Earth and Environmental Science, UMF**  
**From: Associate in Science (A.S.) in Biological Sciences, KVCC**

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Kennebec Valley Community College shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMF students. All applicants accepted to University of Maine Farmington's Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B & C.

### Articulation Implementation and Agreement Review

The Chief Academic Officer designee of the collaborating institutions shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements, and for conducting a periodic review of this agreement.

### Signatures to this Agreement

This agreement becomes effective June 1, 2026 and will be reviewed Spring 2029 for renewal discussion.
