

TRANSFER AGREEMENT FOR BACCALAUREATE DEGREE

York County Community College & University of Maine Farmington

Statement of Purpose

The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from York County Community College (YCCC) to the University of Maine Farmington (UMF). It is recognized that this agreement shall describe the required program of study at YCCC for admission eligibility to the University of Maine Farmington and the degree program indicated.

Terms & Conditions of Academic Credit Transfer

To: Bachelor of Science in Community and Public Health, UMF

From: Associate in Science in Health Studies, YCCC

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from YCCC shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMF students. All applicants accepted to the University of Maine Farmington's Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B & C.

APPENDIX A

Admission & Graduation Requirements of the Receiving Institution

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

Admissions Requirements

Successful completion of the YCCC Associate in Science in Health Studies, submission of a completed admission application, application fee (currently waived), official transcripts from all colleges attended, and other supporting materials. For coursework to transfer to UMF, a student must earn a grade of C- or better.
